INSULATION SOLUTIONS, INC. LAUNCHES NEW DIVISION LED BY DARIO LAMBERTI

East Peoria, Illinois
March 14, 2017

Insulation Solutions, Inc. (ISI), manufacturer of building products, today announced the launch of its latest division: The Engineered Films Division. This special division will be led by Dario Lamberti.

Prior to his appointment, Dario served as ISI's Moisture Control Product Manager gaining more than 13 years of industry experience. As the new General Manager of the Films Division, Dario will oversee a team focused on the growth of existing products and the development of new and innovative products for the marketplace.

"Dario has been instrumental in the success of, what has become a household name in the under-slab vapor barrier industry, Viper®. We are excited to start this new division within the company and have confidence in Dario's ability to lead as General Manager." -Donald Meyer, President/C.E.O.
