## Product Profile: Quip Clips

The Quip Clip is a handy radiant heating installation tool designed to save money and simplify PEX tubing installation. Designed in multiple sizes and styles, the Quip fits 4 sizes of tubing and, according to contractors using the product, can cut installation time in half compared to traditional methods such as zip ties.

Standard Sizes:  
1/2", 3/4"

Available In:  
50 ct. bags, 250 ct. bags

## Happy Holidays

Happy first day of winter and Happy Holidays from all of us at ISI! We hope you enjoy time spent with friends and family.

---

## Happy 10 Year Anniversary, Maggie!

Congratulations to Maggie Hinkle who celebrated 10 years with the company on Sunday, December 11th.

Maggie is our Accounting Manager who also helps with many things around the office. Maggie has two children, Devin, who will be turning 9 in February, and Brynn, who is 7 years old. Congratulations!

---

## Annual Golf Outing

Insulation Solutions held our 9th Annual Golf Outing on Wednesday, September 21st. A fun time was had by all! Congratulations to the winning team:

(From L to R) Chad Whittington, Britt Meyer, Nick Mehn
